Brief Description of Arguments to be Presented:

Applicants wish to discuss the differences between the claims and the art. One such difference is the angle-dependent phase shift.

Applicants also wish to discuss amendments for emphasizing the differences and overcome the rejection.

An interview was conducted on the above-identified application on October 23, 2008

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
